## **GRAMMY WINNER DIONNE WARWICK LENDS HER SUPPORT TO MOVEMENT TO UPLIFT AND AMPLIFY WOMEN'S VOICES AROUND THE WORLD**

**September 19, 2019 - Cottonwood, AL - Six-time Grammy Award-winning singer and humanitarian Dionne Warwick has joined the 20 Million Women Strong as a Global Ambassador.** 20 Million Women Strong (20MWS) is a grassroots movement to uplift and amplify women's voices around the world, and launches this weekend, on Saturday, September 21, 2019, at 1pm ET, with a rally and walk across the Edmund Pettus bridge in historic Selma, Alabama.

Ms. Warwick states, "Women have been, for so very long, silent. It has become more than evident our voices can, should, and now are being heard! All should feel proud that our ladies have decided to take a stand to show that, through the combined strength of women's contributions and knowledge, we can bring about the unity and compassion so very much needed today. I am proud to be a Global Ambassador for 20 Million Women Strong, a movement dedicated to lifting the voices of women and children around the world."

The 20MWS launch event this weekend coincides with the UN International Day of Peace, and initiates a year-long effort to raise awareness and inspire action through "Global Action Days", and highlight the many ways that women everywhere are leading the shift in consciousness necessary to positively impact conditions for women, children, families, and the Earth.

Founder Audri Scott Williams states, "20 Million Women Strong is a movement around the world for children, families, and the Earth, born of the conviction that, when women stand up together, change happens!"

**Other early support has come from celebrated singer/entertainer Melba Moore and Grammy-nominated vocalist/emcee Maimouna Youssef.** Organizations coming on board include the Women's Interfaith Network of the URI (WIN-URI) and URI at the United Nations.

Women everywhere are being encouraged and invited to organize 20 Million Women Strong events in their own communities and post their testimonies, photos, and videos to the 20MWS Facebook page: [fb.me/20MillionWomenStrong](https://fb.me/20MillionWomenStrong). Events may include marches/walks, prayer vigils, artistic expressions, concerts, service projects, and more.
